MAIN POINTS IN BRIEF

BERLIN JUGGLING CONVENTION 2020

Instructions for the temporary badge

You are holding a temporary badge in your hand. This temporary badge is your preliminary admission ticket, it will allow you to enter the convention site and attend the whole juggling convention.

So why should you apply for a job at the "Arbeitsamt" and exchange this temporary badge for the regular one?

The disadvantages of this temporary badge:

1. Members of the Orga team can engage you to do a job at any time. After you fulfilled this task you will receive your regular badge.
2. The temporary badge is really unhandy and will be lost easily. If you lose your badge you have to buy a new one.
3. You will not get any alcoholic drinks without proof of age.

The Convention depends on volunteer jobs. Without this help there would be no convention.

The Orgas and the other participants appreciate your cooperation.

"No Badge, no fun, no party"
